INTRODUCTION

Thank you for purchasing the **Rescue Buddies Fire Engine**. Ignite imaginations, drive around and use the ladder to assist with daring rescues. Take a break to hear about fire tools, numbers, shapes and more. Let's save the day!

INCLUDED IN THE PACKAGE

- Rescue Buddies Fire Engine
- Quick Start Guide

WARNING:

All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties, cords and packaging screws are not part of this toy, and should be discarded for your child's safety.

NOTE:

Please save this Instruction Manual as it contains important information.

Unlock the Packaging Locks:

- ① Rotate the packaging locks 90 degrees anticlockwise.
- ② Pull out the packaging locks and discard.

INSTRUCTIONS

BATTERY REMOVAL AND INSTALLATION

1. Make sure the unit is turned **Off**.
2. Locate the battery cover on the bottom of the **Rescue Buddies Fire Engine**. Use a screwdriver to loosen the screw, then open the cover.
3. If used batteries are present, remove these batteries from the unit by pulling up on one end of each battery.
4. Install 2 new AAA (AM-4/LR03) batteries following the diagram inside the battery box. (For best performance, alkaline batteries or fully charged Ni-MH rechargeable batteries are recommended.)
5. Replace the battery cover and tighten the screw to secure.

WARNING:

Adult assembly required for battery installation.
Keep batteries out of reach of children.

IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in fire.

RECHARGEABLE BATTERIES

- Remove rechargeable batteries (if removable) from the toy before charging.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

Disposal of batteries and product

The crossed-out wheellie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in the Batteries and Accumulators Regulation.

The solid bar indicates that the product was placed on the market after 13th August, 2005.

 Please dispose of your product and batteries responsibly.

In the UK, give this toy a second life by disposing of it at a small electricals collection point* so all of its materials can be recycled.

PRODUCT FEATURES

1. On/Off Switch

To turn the unit **On**, slide the **On/Off Switch** located on the side of the fire engine to the **On** ☺ position. You will hear two sounds, a song, a phrase and a short tune. To turn the unit **Off**, slide the **On/Off Switch** to the **Off** ● position.

2. Automatic Shut-Off

To preserve battery life, the **Rescue Buddies Fire Engine** will automatically power down after several seconds without input. The unit can be turned on again by pressing any button.

NOTE

If the unit powers down or if the light fades out during play, please install a new set of batteries.

ACTIVITIES

1. Tool Buttons

Press the tool buttons on the Fire Engine to learn the names of firefighting tools, play fun sounds, and enjoy short tunes. The light will flash along with the sounds.

2. **Fire Fighting Buttons**
Press the **Fire Fighting Buttons** to hear fire songs, phrases, fun sounds, and short tunes, while learning fire safety knowledge. The light will flash along with the sound.

3. **Learning Buttons**
Press the **Learning Buttons** to learn about numbers and shapes, and to hear fun sounds and short tunes. The light will flash along with the sounds.

4. **Music Button**
Press the **Music Button** to hear fire songs and melodies, with the light flashing in sync with the sounds.

5. **Volume Buttons**
Press the (+) **Volume Button** to increase the volume or the (-) **Volume Button** to decrease it.

7. One Man Went to Mow a Meadow
8. Hickory Dickory Dock
9. Good Morning Merry Sunshine
10. Skip to my Lou
11. Looby Loo
12. A-Tisket A-Tasket
13. The Bear Went Over the Mountain
14. Ten In The Bed
15. Mary Had a Little Lamb

SONG LYRICS

Song 1

Fighting fires with our all!

Song 2

The fire engine sped to the fire,
Raised the ladder and turned on the water,
Putting out the fire is what they require.

Song 3

Call the firefighters anytime,
Call the firefighters anywhere,
The fire engine will be there in a flash to help.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries if the unit will not be in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Please turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **ON**. The unit should now be ready to play with again.
5. If the product still does not work, install a brand new set of batteries.

If the problem persists, please contact our Consumer Services Department and a service representative will be happy to help you.

CONSUMER SERVICES
