LETTERS AND WORDS

1: Letter Order

The cat needs to use the letter bridge to get to the other side of the river. Some letters on the bridge are shown in the correct letter order. There is one block that is out of order. Help the cat complete the correct letter order. Move

the mouse up or down to select the letter and then press the mouse button to confirm.

2: Letter Quiz

There are 4 letters on the screen. Follow the instructions to find the lowercase and uppercase letters. Move the mouse up, down, left or right to find the correct letter within 30 seconds.

3: Missing Letter

Help the cat find the correct missing letter. A word is shown on the screen with one letter missing. The player can select from among three letter choices. Move the mouse left or right to select the letter and then press the mouse button to confirm.

4: Spatial Skills

Play hide-and-seek with the cat and learn spatial skills. Let's see where the cat is. Move the mouse left or right to scroll the picture and then press the mouse button to pick a picture to learn.

NUMBERS AND SHAPES

5: Exploring Shapes

The cat is using the laptop to learn about shapes. Move the mouse left or right to choose and then press the mouse button to learn about a shape and its related object.

6: Shape Counting

Some shapes appear on the screen. Count the shapes according to the instructions. Press the number buttons to answer.

7: Skip Count

Let's go fishing with the cat. Numbered fish are jumping out of the river on the left and right of the cat's platform. Skip count by 2, 5 or 10, according to the instructions. See the counter under the cat that reminds you of the numbered fish you caught. Move the mouse left or right to catch the numbered fish that comes next in the sequence. There are 5 fish to catch in each question.

8: Number Quiz

There are 4 numbers on the screen. Follow the instructions to pick the correct number within 30 seconds. Move the mouse up, down, left or right to play.

ANIMALS AND FOODS
