GETTING STARTED

BATTERY REMOVAL AND INSTALLATION – Magic Lights Castle

1. Make sure the unit is **OFF**.
2. Locate the battery cover on the top left of the 1st floor base. Use a screwdriver to loosen the screw.
3. If used or spent batteries are present, remove these batteries from the unit by pulling up on one end of each battery.
4. Install 2 new AA (LR6/AM-3) batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance).
5. Replace the battery cover and tighten the screw to secure.

Battery Notice

- Use new alkaline batteries or fully charged NI-MH (Nickel Metal-hydride) rechargeable batteries for best performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable, or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.

- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

Disposal of batteries and product

The crossed-out wheellie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in Battery Directive (2006/66/EC).

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or batteries responsibly.

CAUTION:

Adult assembly required. For your child's safety, do not let your child play with this toy until it is fully assembled.

WARNING:

Once the toy is fully assembled, only the book support cover and the chandelier can be disassembled. Do not attempt to disassemble other parts of the toy as this may damage the toy.

ASSEMBLY INSTRUCTIONS

With the **VTech® Toot-Toot Friends™ Kingdom Magic Lights Castle**, safety comes first. To ensure your child's safety, adult assembly is required.

1. Insert the two **Pillars** into the **Ground Floor Base** as shown in the picture. You will hear a click when the pieces are secure.

Note: Carefully check the shape of pillars and ensure you are inserting them into the correct holes.

2. Insert the **Ground Floor Main Wall** into the **Ground Floor Base** as shown in the picture. You will hear a click when the pieces are secure.

3. Attach the two **Doors** to the doorframe of the **Ground Floor Base** as shown in the picture.

Note: Attach the upper edge of the **Door** to the upper section of the doorframe first. Then, attach the under edge of the **Door** to the under section of the doorframe.

4. Insert the **1st Floor Base** into the **Ground Floor Main Wall** as shown in the picture. You will hear a click when the pieces are secure.

5. Attach the **Single Tower Roof** to the **Triple Tower Roof** to create the big tower roof.

SONG LYRICS

1. Princess Poppy

Red and Yellow,
Red and Yellow,
And there's Blue,
And there's Blue,
Orange and Purple,
Orange and Purple,
And Green too!
And Green too!

2. Princess Poppy

Come along and count with me,
1 2 3 4 5 6,
Come along and count with me,
Count along with me!

3. Prince Louie

So many, fun colours,
For us now to discover,
There's green, red and blue,
Orange and purple,
And don't forget there's yellow!

4. Prince Louie

Counting is great, you'll see,
Just sing along with me,
1 2 3 4 5 6,
1 2 3 4 5 6!

5. Princess Poppy

My name's Poppy,
I am a Princess,
All across the Kingdom,
I bring joy,
In my castle,
I just love to sing,
Come along and sing with me!

6. Prince Louie

My name is Prince Louie,
and I'm the bravest prince you'll ever see,
Adventure forever,
So won't you come join me?

CARE & MAINTENANCE

1. Keep the unit and its metal parts clean by wiping them with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit on a hard surface and do not expose the unit to excess moisture or water.

TROUBLESHOOTING

If for some reason the toy stops working or malfunctions whilst a character is on the **MagicPoint™** location, please remove the character and place them back onto the **MagicPoint™**.

If the toy still does not function, or if for some reason the toy stops working or malfunctions on its own, please follow these steps:

1. Please turn the toy **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the toy stand for a few minutes, then replace the batteries.
4. Turn the toy **ON**. The toy should now be ready to play with again.
5. If the toy still does not work, install a new set of batteries.

If the problem persists, please contact our Consumer Services Department and a service representative will be happy to help you.
