VTech understands that a child's needs and abilities change as they grow and with that in mind we develop our toys to teach and entertain at just the right level...

vtech *Baby*

Toys that will stimulate their interest in different textures, sounds and colours

I am...

...responding to colours, sounds and textures

...understanding cause and effect

...learning to touch, reach, grasp, sit-up, crawl and toddle

Birth-36 months

Pre-School

Interactive toys to develop their imagination and encourage language development

I want...

...to get ready for school by starting to learn the alphabet and counting

...my learning to be as fun, easy and exciting as can be

...to show my creativity with drawing and music so my whole brain develops

3-6 years

Electronic Learning Computers

Cool, aspirational and inspiring computers for curriculum related learning

I need...

...challenging activities that can keep pace with my growing mind

...intelligent technology that adapts to my level of learning

...National Curriculum based content to support what I'm learning at school

4-10 years

INCLUDED IN THIS PACKAGE

WARNING:

All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child's safety.

NOTE:

Please keep this user's manual as it contains important information.

Unlock the packaging locks:

- ① Turn the packaging lock counter-clockwise several times.
- ② Pull out and discard the packaging lock.

GETTING STARTED

BATTERY INSTALLATION – HOT ROD

1. Make sure the unit is turned **OFF**.
2. Locate the battery cover on the bottom of the hot rod. Use a screwdriver to loosen the screw.
3. Install 2 new “AAA” (AM-4/LR03) batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance.)
4. Replace the battery cover and tighten the screw to secure.

BATTERY NOTICE

- Use new alkaline batteries for maximum performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable (Ni-Cd, Ni-MH), or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

Please stick the labels to the play set securely as indicated on the following page:

LABEL INSTRUCTIONS

ASSEMBLY INSTRUCTIONS

With the VTech® Toot-Toot Drivers® Repair Centre, safety comes first. To ensure your child's safety, adult assembly is required.

1. Insert the bottom wall into the **SmartPoint™** base. Then, insert the two spiral supports into the **SmartPoint™** base as shown below.

2. Insert the straight support into the **SmartPoint™** base as shown below.

3. Insert the left repair lift support into the **SmartPoint™** base. Then, insert the right repair lift support into the **SmartPoint™** base as shown below.

4. Insert the door support into the **SmartPoint™** base as shown.

5. Insert the **SmartPoint™** repair lift into the four open slots as shown below.

6. Insert the H-shape support into the **SmartPoint™** base as shown below.

7. Insert the paint station accessory piece into the **SmartPoint™** paint station as shown below. You will hear a “click” sound to indicate the paint station accessory piece is secure. Then, attach the **SmartPoint™** paint station to the supports as shown below. Press down firmly to make sure the **SmartPoint™** paint station is secure.

8. Insert the fuel station accessory piece into the **SmartPoint™** fuel station as shown below. Press down firmly to make sure the fuel station accessory is secure. Then, attach the **SmartPoint™** fuel station to the supports as shown below. Press down firmly to make sure the **SmartPoint™** fuel station is secure.

9. Insert the top wall into the open slots as shown below.

10. Attach the spanner storage piece to the car wash track piece. Then, attach the car wash track piece to the bottom of the **SmartPoint™** base as shown below.

11. Attach the straight ramp track to the **SmartPoint™** fuel station as shown below.

EXPAND & EXPLORE

Connect to the track pieces included (as shown below) or other **TooT-Too Drivers®** play sets (each sold separately).

PRODUCT FEATURES – HOT ROD

1. ON/OFF SWITCH

To turn the unit **ON**, slide the **ON/OFF SWITCH** to the **ON** (⏻) position. To turn the unit **OFF**, slide the **ON/OFF SWITCH** to the **OFF** (●) position.

2. AUTOMATIC SHUT-OFF

To preserve battery life, the hot rod included with the **VTech® TooT-Too Drivers® Repair Centre** will automatically power-down after approximately 65 seconds without input. The unit can be turned on again by pressing the light-up face button, pushing the hot rod quickly or triggering a **SmartPoint™** location.

Note: This product is in try-me mode in the packaging. After opening the package, turn the vehicle off and on again to proceed with normal play.

ACTIVITIES – HOT ROD

1. Slide the **ON/OFF SWITCH** to the **ON** position to turn the unit **ON**. You will hear a song, a phrase and sounds. The light will flash with the sounds.

2. Press the light-up face button to hear hot rod sounds, songs and phrases. The light will flash with the sounds.

3. Push the hot rod to hear fun sounds, and melodies. While a melody is playing, push the vehicle again to add in fun sounds on top of the melody. The light will flash with the sounds.

4. For added fun, the hot rod interacts with the **Toot-Toot Drivers® Repair Centre**. Simply roll or place the hot rod on one of the play set's **SmartPoint™** locations to hear the hot rod play fun sounds, short tunes and phrases. The hot rod even interacts with other **Toot-Toot Drivers®** play sets (each sold separately).

ACTIVITIES - REPAIR CENTRE

1. Put the included hot rod or any other **Too-Toot Drivers® SmartPoint™** vehicle (each sold separately) on one of the eight **SmartPoint™** locations to hear fun phrases, sounds and music. (**SmartPoint™** vehicles only. Other vehicles sold separately.)

2. Move the hot rod into the **CAR WASH**, and pretend to get the hot rod sparkly clean.

3. Pull up to the **SmartPoint™ REPAIR LIFT**, and raise the lift to the first floor. Then, place one of the two included accessory pieces on the repair gear and turn it to simulate repairing the hot rod.

4. Place the **SmartPoint™** hot rod in the **PAINT AREA**, and move the paint gun back-and-forth for role-play fun.

5. Go to the **FUELING AREA**, and move the nozzle up and down for role-play fun. Once fueled up, race down the ramp in the freshly tuned up hot rod.

6. Open the garage door and park the **SmartPoint™** hot rod inside for some rest.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries when the unit will not be in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the program/activity stops working or malfunctions, please follow these steps:

1. Please turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit sit for a few minutes, then replace the batteries.
4. Turn the unit **ON**. The unit should now be ready to play again.
5. If the product still does not work, replace with an entire set of new batteries.

If the problem persists, please call our Consumer Services Department on 01235 546810 (from UK) or +44 1235 546810 (outside UK) and a service representative will be happy to help you.

IMPORTANT NOTE:

Creating and developing **VTech®** products is accompanied by a responsibility that we take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department on 01235 546810 (from UK) or +44 1235 546810 (outside UK), with any problems and/or suggestions that you might have. A service representative will be happy to help you.

PRODUCT WARRANTY

Thank you for choosing this quality product from VTech. We hope it will bring many hours of entertainment, imaginative play and learning.

1. The product detailed above is covered by a one year warranty from the date of purchase, against any defects in materials or workmanship.
2. The product may be returned to the place of purchase. Alternatively the product can be returned to VTech Electronics Europe plc (see address below), with proof of purchase, without proof of purchase no replacement will be provided.
3. VTech Electronics Europe plc will examine the product and if it is found to be defective due to faulty materials or workmanship, will replace the product at their discretion.
4. If the product covered by this warranty is damaged due to misuse, modification or unauthorised repair, or because of faulty batteries, battery discharge or incorrect electrical connections, then this warranty becomes void.
5. This warranty is personal to the original purchaser and is not transferable.
6. Breakages to the LCD screen are not covered by the warranty.
7. Returns to VTech Electronics Europe plc should include a cheque or postal order for £1.50 towards the cost of return postage and packaging.
8. Products returned to VTech Electronics Europe plc, should be addressed as follows and packed carefully to avoid damage in transit (Please do not include batteries or adaptor).
Please include details of the fault together with your name and address.
9. To keep an online record of your warranty, please register your product online at www.vtech.co.uk/warranty

VTech Electronics Europe plc, c/o Tablogix Limited, 200 Milton Park, Abingdon, Oxon OX14 4TA

THIS WARRANTY IS OFFERED AS AN EXTRA BENEFIT AND DOES NOT AFFECT CONSUMERS' STATUTORY RIGHTS.

This warranty is valid for the UK and Eire only. For products purchased outside the UK and Eire, please contact your local distributor or place of purchase.
