JUST FOR FUN

ALPHABET ACTIVITY:

ABC Memory

What You'll Need:

- ✓ Mom or Dad's help!
- ✓ Scissors
- ✓ Thick Paper
- ✓ Printer

Print these pages onto card stock or heavy paper. You can decorate the cards by coloring the letters and objects. Cut the cards along the dotted lines, and you're ready to play!

ABC Memory Directions:

1. Lay out the cards with the blank side facing up.
2. Take turns flipping over two cards. If you find a letter and the picture it matches, keep the pair. If the cards are different, try to remember them to make future matches.
3. Play until you have matched all the pairs.
